## SUNDAY: HEPBURN SPRINGS

What a way to start your day! - **Rise and shine for breakfast** (hopefully not to many sore heads) stroll through the local markets,

After breakfast and check out we will head off for a bit of local market shopping. Morning tea/early lunch at the historical

“The Convent Gallery” built high on the hill (overlooking Daylesford)

The Convent dates back to the gold rush days and its origins date back to the 1860's. It was originally the residence of the Gold Commissioner it was then known as Blarney Castle. It was then purchased by the Catholic Church for nuns and boarders of the Holy Cross. In 1988 a local artist bought it and it is now used as a community venue for locals and tourists for well being and classes in the arts. It has a beautiful gallery, coffee and gift shop. The gardens are lovely for a walk.

We will then be treated to relaxation at the “**THE SANCTUARY**” Hepburn Springs Bath house. You will get to use the mineral pools, spa and steam rooms. It includes private bathroom, robes and a locker. After an afternoon of peace and tranquillity letting your body absorb the minerals and letting the stresses of the world wash away you will sit and enjoy a delicious Devon shire tea in the historic pavilion where we will have our farewell gathering before we make our way back to Melbourne City.
